DISCOVERY SHORES BORACAY IS ONE OF THE TOP 25 RESORTS IN ASIA

The travel and tourism industry has been greatly affected by the global pandemic with all the lockdowns and travel restrictions imposed on and off for more than a year now. However, that does not mean that people have given up on travel completely. It is quite the opposite.

Condé Nast Traveler, an international, market-leading travel magazine, has recently released the results of their **2021 Readers' Choice Awards** survey and for the very first time, Discovery Shores Boracay was included in this most coveted list.

The survey was done with more than 20,000 readers, which makes it a true representation of what readers want in terms of the destinations, facilities and most especially, the service. "The 2021 list reflects the places that travelers yearned for the most and the ways in which the tourism industry has slowly begun to reopen," as stated in the [Condé Nast Traveler article](#).

Named as **one of the Top 25 Resorts in Asia**, Discovery Shores Boracay earned another feather in its cap as the resort has consistently been receiving international awards year in and year out.

"Our passion for what we do has kept our spirits alive so we are truly delighted to have been given this special accolade. As a Filipino company, we are proud to once again bring honor to our country for our 'Service That's All Heart' and our genuine care for our guests," shares Mr. Erwin Lopez, the Hotel Manager of Discovery Shores Boracay.

Located in one of the best beaches in the world, the resort features 99 luxurious guestrooms equipped only with the finest amenities and a world-class spa, within its heralded architecture. It is one of the island's prestigious beachfront resorts and a favorite of the most discriminating local and international travelers.
