

SPEND EVERY DAY IN BORACAY

Life, as we know it, has taken on a 360-degree turn. Now more than ever, the gift of space, of being one with nature, of breathing in fresh air and of spending precious moments with loved ones have taken a on a different level of appreciation. Everyone is anxious to hit the beach, bask under the warmth of the sun and appreciate life's simple pleasures.

With the current work-from-home arrangements, now you can have a remote office or school set-up in Boracay island. Escape the confinement of the four walls of your house and break out of your monotonous routine with the resort's **Extend Your Stay for Work and Play** package.

Make the most out of the flexibility of online school sessions and work-from-home set-ups and give work-life balance a new meaning. Discovery Shores Boracay is fully equipped to support your digital needs so you can have the best of both worlds – without having to sacrifice work or play. With the endless possibilities as your canvas, paint your picture perfect work-from-home backdrop with the expansive beach, the turquoise sea, and the cerulean sky right outside of your suite.

In between power meetings or busy school sessions, you can bask under the golden rays of the sun with the powdery white sand in between your toes or you can take a quick refreshing dip at the pool. After accomplishing a huge project, reward yourself with bottle of ice-cold beer and pair it with freshly baked gourmet pizza. Or simply pause for a few minutes to appreciate the calmness of the beach and gaze at the breathtaking Boracay sunset, while you sip your favorite cocktail.

If you're traveling with the family, let the children get the outdoor activities and exercise that they have been missing. Before class starts, a quick lap at the pool would give them the energy boost they need. And after spending almost the eight hours glued to the computer screens, a game of beach volleyball would be a great way to end the afternoon.
